If you cannot find a sub from this list, call other women curlers use the substitute guidelines.

Suggestions:

- If you need a sub. When you can't make a game, as soon as possible notify your skip (if she wants this, for she may want to know if she will have a legal team for that date) and get a sub from the substitute list. The farther in advance you plan, the easier it will be to get a sub!
- Be punctual. Please make every effort to be ready and on your ice sheet at 5:40 pm.
- Have questions. Don't hesitate to ask, and when on the ice, ask your Third (the Vice).
- Keep the game moving along. **Leads** If your team won the end, you do not clear the rocks, but move quickly to get in the hack and be ready to deliver your first stone. **Thirds**: Keep track of the time. Put rocks up for your team mates. If ends are taking more than 15 minutes, remind your skip and the other third that you're behind, but don't nag.

Rules and Procedure- some reminders:

- The Third's (Vice's) enters the scores, point differential (plus points), subs and the positions played in the score book, and the win-loss record on the bulletin board.
- If the game is not in the eighth end by 7:30 pm, the end in progress will be completed and one additional end will be played. A tie will be played off with a full end.
- The point difference in any game requiring an extra end(s) to determine a winning team is +1 -1, regardless of the final score.
- A team member must curl in no less than 50% of her scheduled games in order to be eligible for a medal.
- Substitutes must be of comparable ability to the regular team member.
- If a team starts a game with only 3 legal players, the 1st and 2nd player deliver 3 stones each. If the 1st player has thrown her third rock, the late arriving player must wait to the next end to begin playing.
- Only 2 substitutes are allowed on a team.
