President’s Message

I have noticed lately how welcoming our club is to visitors. Often on Friday nights we have guests in the club’s dining room. These are guests of our club members and are made to feel WELCOME! The fact that they generate revenue for our club through the monies spent at the bar and in the dining room is a bonus.

Other times, visitors have come to our club (sometimes unannounced) and are greeted at the door by whichever club member sees them. The club member generally takes them behind the plate glass to watch curling and takes the time to explain the game, the different shots and strategies and the game in progress.

This welcoming atmosphere makes our club a very friendly place both for members and guests and makes me proud to be a part of it. Thank you all and keep it up!

Just e-mail Carol Jones and she’ll order one up for you!

For those who have not previously curled, we suggest you wear a turtle-neck, sweater, light jacket, and a pair of loose fitting slacks. Jeans are NOT recommended!! Desperately seeking Volunteers!

Utica is hosting the 2017 USA Curling College Championship, Friday March 10-Sunday March 12. If the schedule is similar to previous years, there will be 2 games on Friday (beginning around 4:00pm), 4 on Saturday, and 3 on Sunday, beginning at 7:30am! We will need lots of volunteers to make this a successful (and model) event. There’s a signup sheet on the bulletin board next to the ice machine/bar. The most important thing we need is timers (who will receive training). All games must be timed, so please consider helping out for at least one game.

If you are interested in volunteering, sign up on the board or contact M.J. Walsh or Roger Rowlett at collegecurling@uticacurlingclub.org. All volunteers who put in at least 4 hours will receive a 10% at Brooms Up Curling; timers only need to time one game to earn a discount. And, since I’ve been asked, although this is a dry event for participants, it’s not for the volunteers and spectators. The bar will be open on Friday from 5:00-11:00pm and Sat from noon to 11:00pm. Sunday bar opening in contingent on getting more sponsors.

Also still looking for folks with contacts with local Utica area companies (esp, food related!) for items for the welcome bags. I'm esp. interested in Utica Coffee, Hemstroughs (for half-moon cookies), Myers Chocolates, and any of the Italian bakeries. These are just starting places, so others welcome! Please contact M.J. with donations and ideas.

Learn To Curl #3

On December 14 the Utica Curling Club hosted an Learn To Curl event for M & T Securities. There were 17 men and 1 brave woman who wanted to try curling. It was a great afternoon with a great group who couldn't thank us enough for their curling experience.

A very special thank you to John Davies, Bill Turner, Fred Hicks, Carol Jones, Karen Barnes, Jennifer Turner, Tom Martin, and Jacquelyn Schmidt for providing excellent instructions and a memorable time for this group.

A very heartfelt thank you to Charlie for preparing the ice and always be there to help!

ATTN: 1st to 5th Year Curlers
5 Year experience and under Bonspiels

Each year the GNCC member clubs host bonspiels that are limited to curlers with 5 or fewer years of experience.

These bonspiels are an ideal opportunity for new curlers to gain experience at positions other than lead or second, to put together and develop teams, and to meet other curlers of similar experience from other clubs. For many new curlers, the five-and-under events are often the first out-of-town bonspiel experience at which new lifelong curling friends are made.

The bonspiels are:
- Raymond G. Kayser Memorial Bonspiel (mixed)
  Thursday-Sunday, February 9-12, 2017  Broomstones Curling Club
- Francis Dykes Memorial Bonspiel (men)
  Wednesday-Sunday, March 2-5, 2017  Utica Curling Club
- Elisabeth Childs Challenge (women)
  Thursday-Sunday, March 9-12, 2017  Belfast Curling Club

There is a sign up list on the 5 Year & Under board at the club (next to the Mixed board). This is an informal place to sign up that you are interested in being on or setting up a team. Other members can then refer to this and see who is interested. Don’t be afraid to put your name on the list regardless of your experience. All the curlers in these bonspiel are like you ... new.

Ask a senior member for more information on these events
DRINK PINK” RESULTS

The Utica Glengarries promoted the month of October as “Drink Pink” time! Once again our members came through. We would like to THANK everyone who donated. A special THANK YOU to Liz Nolan who once again stepped up and donated five Santa sweatshirts that were raffled off, that event alone raised $445.00! That amount combined with the donations collected at the bar and personal donations helped us to raise $800.00. All the monies collected were donated to the Mohawk Valley Health System Cancer Center located in Utica. The winners of the sweatshirts were: Sheila Waters, Mike Semeraro, Jacquelyn Schmidt, Angela Durso and John Taverne.

Thank you again for your generosity! UCC Rocks!!

Men's Scots Tour Visits Utica

UCC will host the men's Scots Tour on Tuesday, January 31, 2017. There will be one draw in the afternoon, followed by a dinner at the club. There will be 20 Scots curling, so we need 20 UCC men to curl in the event. We also need 10 host families to house 2 curlers the night of January 31, which includes transportation from the club that night, breakfast the next morning, and transportation back to the club on February 1. Anyone interested in curling or hosting 2 of the Scots overnight, please contact Jim and Jan Rishel atjrishel@hamilton.edu as soon as possible.

Tentative schedule for the day is as follows: 3pm Welcoming Ceremony, 3:30 game time, 7 pm dinner. The cost is $25 per player, plus the cost of your meal and the meal for the scots. All club members are invited and encouraged to attend the dinner, at their own expense. More information to follow.

11th Annual U.S. Open International Wheelchair Bonspiel

Congratulations to Jimmy Joseph and the members of Team USA as they won gold at the 11th Annual U.S. Open International Wheelchair Bonspiel. Team USA defeated Nova Scotia by a score of 5-3 to secure their second consecutive title.
This year’s 2016 Utica – Schenectady – Albany Women’s Friendly, held October 15, was hosted by the Schenectady Curling Club with Joy Del-Sette (jdelsette@nycap.rr.com) as chairwoman.

It was a lovely sunny Saturday morning as three Utica teams headed east, enjoying the scenic autumn foliage.

We arrived to be treated to a homemade continental breakfast that included quiches, bagels, sweetbreads, yogurt, granola and warm mulled cider. Between games, Schenectady provided hearty sandwiches, soups and dessert. All were homemade and all were delicious.

Two 6-end games were played, with Schenectady/Albany challenging Utica. The ice was keen and played well and ice crew were all Schenectady women.

The results: Utica got the win, securing the trophy for a second year in a row. Teams were safely back home before dinner time.
It was a fun day, a true “friendly” event!

Next year, Fall 2017, it will be Albany’s turn to host. Please consider attending as an individual or team, say a five and under for early practice. I’ll be recruiting!

Friendly Early Bird bonspiel  
December 8 & 10, 2016 • Results

Long, Long ago, when chickens had teeth, the idea was hatched to have a bonspiel with young fledglings in mind. Henceforth, the Friendly Early Bird/Early Bird Friendly bonspiel was born. (It's a chicken and egg situation: which came first?)

After a spell of running around like chickens with its head cut off, the Roosters (Mitch & Karen) finally had something to crow about: 4 first-year and 3 second-year curlers signed up for the bonspiel! Welcome, Don Simon, Dave Prezyna, Kimberley Lambing, Dave Husted, Jesse Weiner, Julie Gederos and John Taverne to the UCC bonspiel flock!

The Plymouth Rocks strutted their stuff and won the bonspiel and the Friendly Medal with 38 eggs. Sorry, points. The pecking order was Lead: Sue Hansen, Second: Tim Hansen, Vice: Anne Stuhlman, Skip: Pete Ciarelli.

In second place and winners of the Early Bird Medal with a total of 31.25 points was Modern Game led by Conrad Law. His brood included Julie Gederos as Lead, Jesse Weiner as Second, and Knyoca Law as Vice.

Don't count your chickens before they hatch; there was a three-way tie for third place. The Red Caps (John Davis, Skip) Dorkings (Don Knapp, Skip) and Barnevelders (Karen Barnes, Skip) all finished with 28.5 points. The Red Caps were awarded third place, the Dorkings fourth place and the Barnevelders fifth place (determined by number of ends won.)

Many thanks to those who stuck their necks out to be subs. Better an egg today than a hen tomorrow!

And of course, thanks to Dominick for the wonderful meal, our steady and true bartender Sam, the Ice Crew for fantastic ice, Peggy Pratt for being a good egg, and all participants who came out for the event.

"The rooster may crow, but the hens lay the eggs."
Good curling, all!
WINNERS OF THE TUESDAY MORNING MARY CLARK

On December 13th, the team of Peggy Rotton-skip, Bruce Evans-third, Gary White-second, and Susan Fountain-lead had a playoff against the team of Dee Pfohl-skip, Fred Hicks-third, Dan Reed-second and Marianne Turczyn-lead. The winner of the Mary Clark medal was team Rotton. The Tuesday AM curlers then enjoyed a delicious Christmas luncheon which was held at the UCC and catered by Dominick. Camaraderie and great curling was shared by all.

Women's evening leagues results

Calder League
The Calder is played on Monday nights and is the first rung of the ladies evening ladder. It was a tightly bunched league this year. Nine teams competed and four teams were tied at 5-3 after round-robin play. With the holiday season hard upon us, playoffs were postponed until the second half

Bonnie Piper League
The Bonnie Piper is played on Wednesday nights and is a non-ladder competition. This season, seven teams (including nine first year curlers!) competed. After a round-robin play, the team skipped by Michelle MacEnroe won. Congratulations!

Bonnie Piper winners: Michelle MacEnroe, Jan Rishel, Tami Dunningan, Dawn Lazovik*
Fall 2016 Mixed Doubles League

Donna Caleo & Roger Rowlett, Chairs

The inaugural Mixed Doubles league at Utica was held in the first half. This fast-paced curling discipline, which is played by teams of two players, one male and one female, will make its Olympic debut in 2018. We had a full complement of 12 teams for this first-time league—thanks to everyone who was willing to give it a go! After a short period of confusion about rules and play, everyone seemed to get the hang of things and appeared to be having fun. The league was divided into two pools of 6, with each pool playing a round robin of 5 games, followed by a one-game playoff between the two pools. The top teams in each pool, determined by win-loss record and head-to-head results for tiebreaks, played for the “gold” and “silver” medal. The second place teams in each pool played for “bronze” and “pewter.”

Results:

Gold medal – Roger Rowlett & M.J. Walsh
Silver medal—Conrad Law & Knyoca Law
Bronze medal—Blake Hagberg & Audrey Foote
Pewter medal—Erich Krumme & Melissa Foote

Congratulations to all the teams that played in this event. The league will run again in the second half, mostly on Thursdays at 7:00 pm.
Instructor’s Corner

USCA Level II Certified Instructors

With the new year just around the corner, it’s time to reflect on the year and how to do better next year. While most normal people are thinking about important things like family, friends, health, world peace, etc., the minds of curlers drift toward reducing their frustrations on the ice. So, for those besotted by the roaring game, here are some selected New Year’s resolutions just for curlers. Pick one, or two, or the even ones, maybe the odd ones, or the whole lot. What the heck—we know you are not going to keep them anyway!

**Throw lighter weight hits.** Board or hack-weight hits are not just for old guys anymore. When you first learn to throw more accurate, heavy shots, it easy to fall in love with them. But it’s hard to keep your shooters around when throwing bombs. Learn to throw board and hack weight hits, and consider making board weight your normal takeout weight. Lighter hits can be better controlled with brushing to get the perfect hit and roll or nose hit, as desired. You might just make more shots. Of course you and your skip should be on the same page about what weight is being thrown.

**Speed up your play.** If you are skipping a team, think about your next move *before* the opponents throw their stone. As a skip, you should already be thinking 2–3 shots ahead, and be ready to make your call. It’s usually possible to know what you are going to do after a make by your opponents, and what you are going to do in the event of a miss by your opponents. If something really weird happens…well, then you are given leave to take a few extra moments to reconsider your options. Having your contingencies ready really speeds up a game. Players should be ready to deliver as soon as the sheet is clear—and that means that sweepers must hustle to the sidelines to cede the sheet to the other team. Nobody likes playing a 3-hour game.

**Learn directional sweeping.** Everything we thought we knew about sweeping was turned on its head in the 2015-2016 season. We learned that one sweeper is better than two at holding line, and that technique—both the orientation of the brush head and the sweeping angle—are critically important in altering the stone’s path. We also learned that we could not only “straighten” rocks, but we could “push” them to make them curl more. Learning to directionally sweep might save 2–3 otherwise missed shots a game.

**Show up on time.** If your draw starts at 8:00 pm, get to the rink in time to get dressed, stretch, and throw the first rock at the appointed time. Sometimes draws start late, but not always! It’s not an excuse to be per-
petually late.

**Communicate more.** One of the most important aspects of curling is team communication. Be more vocal during each shot. If sweeping, communicate the weight to the skip or third. (Use a zone system, or at the very least use “light,” “close,” or “heavy.” If in the house, communicate line to the sweepers, e.g. “room”, “line’s good”, “yes (for line)”, “hurry (we’re about to crash),” “you’re by.” These little things will help your team make more shots. Successful and effective teams communicate well.

**Think more about getting good second rock without hammer.** You don’t have to steal every end without hammer, unless you find yourself seriously behind in the game late. Forcing the other team to a single and getting the hammer back is a good strategy. One of the best ways to force is to get good second rock (e.g. a freeze to shot stone in the four foot behind a center guard) to shrink the scoring area.

**Volunteer.** A curling club does not run itself. Volunteer to do a job at the club. There are endless things that need to be done to make curling a great experience. If you don’t know what to do, ask a board member for suggestions for how you might contribute. If you have special expertise, it might prove handy.

**Use more non-verbal communication.** Learn and use hand signals to call shots. This can speed up the game considerably, avoiding lots of yelling up and down the ice. You can communicate the type of shots to be thrown, and takeout weights without having to yell down the ice. Try it. You might like it.

**Sweep more.** Yes, really. More rocks are lost to undersweeping than oversweeping. By a LOT. Sweep early and power-clean unless you KNOW the rock is hopelessly light. Good sweepers are up-and-down all the way down the ice. Don’t save it up for a big flourish at the end. (You will usually come up short.)

**Take a lesson.** Trying to teach yourself how to improve your curling is kind of like a doctor being their own patient: this situation doesn’t usually turn out well. Trained instructors can spot common delivery flaws you can’t see and provide you with appropriate exercises to get back on track. Best of all, it’s free! You can arrange for a private lesson (email curlingschool@uticacurlingclub.org) at a mutually convenient time, or you can attend one of the specialized instructional clinics that are run from time to time (e.g. front-end clinic, new skips clinic, etc.)

So which curling New Year’s resolutions are you going to keep? If you want to know more about these topics and more, check out the Instructor’s Corner archive on the [Instruction Page](http://www.uticacurling.com) at the Utica Curling Club web site.

This Day in Curling
Susan Hansen

January 26, 1884, the Utica Curling Club men were victorious in Rink 2 in Jersey City. The news of the day proclaimed the President, Chester A. Arthur as the fourth Vice President to succeed to the Presidency. "President Arthur at the time of President Garfield death, though an unfortunate position, and by no means popular with or trusted by a very large section of the Republican Party, has shown himself to be a very much wiser man... for not blundering his words". The New Rochelle Pioneer, January 26, 1884.

January 22, 1922
The Sno-Birds of the Lake Placid club are planning to hold their annual curling competition on January 19, 20 and 21 on Forest rinks at the Lake Placid club. The prizes are the governor's trophy, the Morgan trophy and the Sno-Bird gold, silver and bronze medals. The following clubs have entered one or more rinks, the Saranac Lake Curling club, the Pine Curling club of Saranac Lake, the Mohawk Golf club of Schenectady and the Utica Curling club. A curling club is now being formed by the Sno-Birds and they will take part also. Last winter a very successful curling competition was held here in which a number of curling clubs competed and the trophy was won by the Utica club (Jan 23, 1921). Another interesting feature which the Sno-Birds are to have in the near future is a snow figure modeling competition for the Paul King cup, The judges will be Paul King, and more.
