UTICA CURLING CLUB

VOL. 51 - ISSUE 5

FEBRUARY 2007

Message to Members

—Fred Hicks, President

Thanks to everyone who made the first half of the season great. Both the Wheelchair Nationals and the GNCC Junior Championships were very successful, thanks to the efforts of the chairs and many volunteers.

I have been REALLY impressed with the new curlers, both their skills and their attitude toward the game. There was a time when, as skip, one could count on the opposing first-year lead missing lots of shots, particularly take-outs. Doing that this year can lead to a lot of grief. Kudos to the curlers themselves along with Carol, Roger and company who helped train them.

Remember to visit the new web site: www.uticacurlingclub.org

The Men's and Women's National Championships are coming up in February. Peg Rotton needs officials and Dean needs volunteers in several areas. Previous experience is sometimes overvalued. Don't be shy.

Please continue to watch the bulletin boards for sign-up sheets for all events.

See you at the club.

HOUSING NEEDED FOR JUNIOR CURLERS

The Junior Bonspiel will be held in February. We have junior curlers coming from all throughout the GNCC and even teams from Canada!

All you would have to do is: Pick up teams on Friday night February 9, give them a place to sleep, drop them off Saturday morning, pick them up Saturday night, and then drop them off Sunday morning. Bag lunches are appreciated for the ride home. Please call Clare Bareiss at 853-3837.

Note: The following is one of a series of articles shamelessly plagiarized from the booklet generated by Tom Garber for the 125th anniversary of the Club. - FH

WHAT IS...?

The Gordon International

The Gordon is an annual men's competition between the United States and Canada dating back to 1884. The medal was introduced into competition by Robert Gordon of the St. Andrews Curling Club of New York. He was the first Patron of the GNCC, retaining that honor until his return to Scotland in the summer of 1884.

The terms of the original rules governing the Match established Montreal as the venue of play and the Caledonian Branch as its governing authority. Subsequently, as a result of a request made jointly to the Canadian Branch by the donor of the Medal and the GNCC, it was mutually agreed to have the Match alternate between Canada and the cities of the Grand National. The first Match for the Medal was played at Montreal on February 8, 1884 and was won by the Milwaukee Curling Club. Records indicate that over the 122 year period, matches were postponed due to smallpox in 1885, 1886 and 1887; due to lack of ice in 1897, 1898 and 1902; and due to wars in 1916, 1917, 1918 and also in 1942 and 1945.

Until 1901, the Match was played with only two rinks on a side, then by agreement, the rule was changed to provide for "two or more" rinks per side, the number to be arrived at by agreement each year. Preceding the "play for the Gordon" are the "friendlies" between GNCC teams and Canada with victors receiving the Add Hastings International Bowl and the James C. Stevens Memorial Shield. The Gordon goes to the country scoring the highest total number of stones.

Utica has hosted the Gordon 21 times out of the 58 times it has been played in the United States. The Canadians have a decided edge in the competition, winning 84 times out of 122. The Americans most recent wins were in 1982 in Boston by 4 stones, and in 1969 in Montreal by 5 rocks.

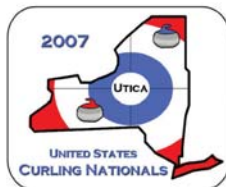

Experience the Glitz and Glory!

– Carol Jones

THE NATIONALS ARE COMING, THE NATIONALS ARE COMING!

And with the best teams from across the country come thrills, excitement, and some of the best curling you'll ever see! For starters, join us for the opening ceremonies to be held SUNDAY, February 18th at 5:30 PM. The Parade of Participants on the ice will be led by the Mohawk Valley Fraziers. The singing of the Star Spangled Banner a Capella style is sure to bring tears to your eyes. A special treat awaits the viewers for the ceremonial first throw (we have to keep some mystery to entice you to come). Stand up and cheer for our very own hometown team of Anne Stuhlman, Laura Jacon and Karen Rogowski when they're introduced in their first National Championship! Then rub elbows with the athletes afterwards and gather up autographs. Show our guests what Utica Hospitality is like by filling up the stands and cheering them on at this beautiful ceremony!

Dear Ms. Manners

Dear Ms. Manners,

I confess. I'm the one that is often late for my games. Got any suggestions?

Belated

Dear Belated,

Make yourself show up 15 minutes early. This will give you plenty of time to change, stretch (very good for the muscles and your curling longevity), go to the bathroom, get a drink and visit with a few friends. You will have time to relax and get your mind in the game. I know – there are a lot of red lights between work and the club – plan on them all being red! So – if you arrive after your team starts, please wait until the current end finishes before entering the game. If sleeping late is a problem, ask several friends to call you and set several alarm clocks. Oh – and if you are not going to arrive on time, call the club and provide your ETOA. And, finally, please be gracious if you are in a situation where your team has to hang an end (or two) — it's not the end of the world.

Ms. Manners

Mitchell Bonspiel

–Don Knapp, Chair

By all accounts this year's Mitchell continued the tradition of being one of the finest Bonspiels around. **THE MITCHELL BONSPIEL** continues to be the largest Bonspiel in the GNCC, as well as the oldest. Besides the excellent curling the other highlights were honoring Frank Van Ryckeghem of Manotick with the Maldy Williams Trophy for attending his 10th Mitchell, Norm Girard of Cumberland with the Golden Veterans Pin for his 20th Mitchell. This year we also added an award, the Paisley Abbey Medallion, for 30 years of participation in the Mitchell. Robert Noble of Royal Kingston (47th Mitchell) and Cecil Barrett of Cumberland (32nd Mitchell) were the first recipients of this award.

This Bonspiel is only possible through the hard work of a great many people. TODDY BOWL: Gloria, Anne, Barb, Donna, Cheri, Bob, Teri and Howie, Claire and Dan, Michelle and Paul, and Mary and Mike for hosting the house parties, Dean for getting ads for the booklet, Joe for the drawboard, Betsy and Rich for organizing the post game snacks and numerous other people for helping put out the snacks. Dan for his help in arranging the food, which got rave reviews, as well as donating his time in the early morning setup the continental breakfast each morning with the help of Jim and Tom.

Thanks to Margaret and Sam, and the entire kitchen staff. This was their first big event at the Club and they pulled it off without a hitch. The smoked prime rib at the Banquet got rave reviews from all the teams. Terry and his bartenders, Stephanie, Stephanie, and Chris who were very busy all weekend, Chuck Delmonte, Chuck Harter and the entire ice crew who had the ice in amazing shape, under less than ideal weather conditions, which required long, long hours. Thanks guys, you were tremendous. Teal for singing the Anthems. Paul and Michelle for the directions and pictures. My co-chairs Mike, Bill, Bill, and Fred who did hundreds of things. I especially want to thank Bill Krause for all his work in getting the invitation, the drawboard, and the team signs together.

I would also like to thank all the people, many of whom were also curling on one of the Utica teams, who still found time to offer to help me with the posting of the scoreboard and plate glass signs, updating the draw board and selling tickets. If I forgot anyone, which I am sure I did, I apologize. It's only because I am still a little tired and that there are so many things to do and so many people helping it is hard to think of everyone. Thank you all for your help.

GNCC Jr. Championship Report

– Lis DeGironimo

From December 28-31, the UCC hosted the GNCC Junior Championships. Nineteen teams (12 boys, 7 girls) competed for three spots at the Junior Nationals, which will be held in Seattle, Washington, February 3-7, 2007.

Of the eighty curlers that competed, nine were from the UCC: Daniel and Erika Bareiss, Alicia Citriniti, Max Marsland, Kayla Martin, Christopher and Nicolas Sunderlin, Alyssa Tassone, and Jared Wydysh.

One of the Utica curlers, Jared Wydysh, was on the winning boys team. Other members include: Alex Leichter and Jake Weisberg of Massachusetts, Willie Wilberg of Wisconsin, and Chris Bradley from Pennsylvania. Jared's team finished undefeated at 6-0. The Stephen Dropkin rink, 6-1, from Broomstones was the other boys team advancing to nationals. In the girls bracket, the Monica Walker team from Broomstones finished undefeated at 7-0 to advance to nationals.

Many, many thanks to **ALL** of the volunteers. Hosting this event wouldn't have been possible without you! Special thanks to head official Eydie Savett, Chuck DelMonte, Paul MacEnroe, Bill & Peggy Rotton, and Sam and Margaret Silverman.

The Junior Curlers Say THANK YOU!

We have an outstanding Junior program due to the efforts of dedicated volunteers and donations. We thank the weekly adult volunteers: Tom Clark (the one who knows what he is doing), Charlie Marsland (ever ready to assist), and Tom Platt Sr. (fountain of eternal patience with the Little Rockers). We thank Peggy Rotton for obtaining a USWCA donation of brooms and sliders for the Juniors. We thank Carl Thomas for building a hack for the Little Rockers and bringing his neighborhood to curl. And finally, we thank all of you who volunteered to help make the GNCC Junior Playdowns happen. Any curlers interested in becoming involved – even for a day – we welcome you. We are looking forward to a great second half!

The Kiltie Korner Is Open

If you are in need of curling gloves, shoes, grippers, shirts, customized curling clothing, or other items for those who love curling, check out the UCC Kiltie Korner! This is the "curling store" that is on the right wall when you enter our Club. You may be able to purchase the item here right at our Club, or you can order what you need.

Please look up the following people at the designated hours.

Please note we are still looking for volunteers to cover some Men's curling on Tuesdays and Wednesdays. Please call Sharon at 738-1233 or Barb at 797-7627 if you would like to cover the open KK times (the ones with question mark), and also if you'd like to cover anytime during upcoming Bonspiels. Check the calendar for the dates of the bonspiels. Then give us a call to discuss volunteering a little time to cover the Kiltie Korner, and plan to watch some good bonspiel curling at the same time! ***Happy Shopping and Good Curling!***

“Live from ^{Utica} New York – It’s SATURDAY NIGHT!”

This year’s Mixed Invitational Bonspiel will honor over a quarter century of NBC’s hit show **Saturday Night Live**.

Remember trying to figure out which was the comedy skit and which was the commercial?

Think of all the current stars who got their start on the set of Saturday Night Live.

No doubt you have your own favorite, so **START THINKING OF YOUR COSTUME CHOICES NOW**.

So many possibilities! We predict that during the spiel weekend, you’ll see:

- man-sized killer bees playing front end, sweeping the rocks of some cone-headed skip.
- On the next sheet of ice, don’t be surprised if you spot Fred Garvin calling a come around for Emily Latella.
- The Loud family will certainly be there along with the Festrunk brothers and the Whiners, all curlers that we know and love.
- And, Hanz and Franz will “pump you up” to steal for that important win.
- Later, at the bar, Two Wild and Crazy Guys will be trying out their famous pick up lines while Samari curlers gather around a table to discuss their shots endlessly into the night.

Even if you are not playing in the bonspiel,

COME TO THE CLUB MARCH 8-11 for a great time!

Six Utica teams are guaranteed a spot in the bonspiel, five of whom are chosen from the rank order of winners coming out of the club’s Mixed Championship and one team who will be randomly drawn from a hat. All curlers are invited to be part of the fun. Bring your friends to watch some curling during the day. And, you can be sure that all three nights will be a party, so you’d better make plans and mark your calendar now.

Over the coming weeks, look for ways that you might be able to contribute. Many different talents will be needed this year. Committee members will be asking for help, so be ready to say “yes!” It’s a great way to get involved and get to know others in the club.

FUN AND FITNESS

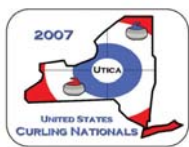

– Gary and Susan Fountain, Co-Chairs

Fun and Fitness was fun, fun, fun especially with several new curlers joining us: Greg and Debbie Batt, John Spicer, Bob Barney, Joe Glaze and subs Brenda and Phil Citriniti. We filled all six sheets of ice for the first time, supported The Club with the biggest bar revenue one league day and learned about the exciting sport of fox hunting from Roger and Jill Gates. (There is a hunt club in Clinton.) The winning team was: Al Hollmer - Skip; Carla Barrett - third; Marty Jones - second; and Joan Dewar - lead. We have moved on to Happy Hour and can always use subs. Join us and see what Thursday afternoon curling is all about. You'll love it!
