UTICA SIX SHEET OPEN

This is an OPEN format event where teams can be made up of any mix of men and women, shooting in any order.

This is a fun event using the Modified Schenkel system. This is a fixed draw system, so you decide which draw times you prefer. We will do our best to give you your first choice of draw times. We will also be using the "Fredericton Rule" to make the event more interesting. The rule is very simple: any stone COMPLETELY COVERING THE PIN is 2 points.
