President’s Message
Don Knapp

Wow. What an exciting 2 weeks for the sport of curling. While I am sure we are all a little disappointed by some things, our teams coming up short of winning any medals, the lack of coverage at times, and of course the shuffleboard and broom jokes, all in all the Olympics had to be the best thing for our sport since the invention of making ice inside! (With all due respect to the Kayuta Lake Curlers) Lead articles in USA Today, stories on the NBC and ABC Nightly News as well as network prime time, sort of, coverage of games!!! and our own Brent Ax devoting 2 hours of his WIBX sports talk show to curling (now Brent if your skip could only make a couple of shots you might get to feel the thrill of victory). If that wasn’t enough we had another hugely successful Marie Cobb Mixed Bonspiel. Marg, Brian and your entire committee: Fantastic job!!!! And to top it off we get to follow our own UCC rink in the USCA Woman’s National Championship. Best of luck Caitlin and your rink! Well if all that doesn’t have you stoked for the rest of our curling season, take up bowling.

However this also is presenting us with a great opportunity to grow our sport locally. Interest and awareness in curling is certainly higher than ever. It is each of our jobs to bring in new members. Carol and Paul and there committee has been formulating plans to utilize this free publicity. They need your help. Talk to friends, enemies and total strangers and tell them about curling, bring them down this year don’t wait till the fall, show them the game and our wonderful Club.

To All Glengarrries
Ylva Cortright, President

We are winding down the Curling season and I would like to take this opportunity to thank all the Glengarrries for making my stint as your president a time I will always remember. You have all been so helpful and encouraging as I plodded along with my visions. Renate Swiercz has worked endlessly to make Kitie Komor merchandise available to all comers. She might have wished the flow of goods from Canada wasn’t so frequent and plentiful but she always accepted it with smiles. Marty Jones, you spent endless hours accepting and pricing donations from our members to sell at the Christmas Sale. June Balduf, Doreen Hayes, Eydie Savett and Michelle MacEnroe, you all handled the scheduling of our draws with great aplomb (without fear). Josie Enjem not only did you do a great job with the Christmas Party but you picked up the Albany-Schenectady - Utica Friendly when it needed you. Once again, Barb Felice, you encourage the newer members to participate in the Challenge. Gloria Petrie ran a smooth and well-organized All American. My Board, Marjorie Moore, Marianne Clark, Cindy Kelly, Robbie Trosset, Ginger Zillioux, Michelle MacEnroe, Peggy Caneen, and Peggy Rotton, you support in making Kitie Komor the finest curling shop in any club I’ve visited, setting up our lending library, and in encouraging women’s curling in and out of our club has been much appreciated. These accomplishments should make us all very proud. Last but not least thank you to all those Club members who helped support our efforts through their participation in our raffles and encouraged new members to participate in Bonspiels in and out of town. This is the spirit that makes the Utica Curling Club a great organization for everyone.

Marda Garber, GNCC Representative

This was the third year of the USCACanada Donation Program, "Keep the Rocks Roarin'!" It is a program dedicated to supporting the USCACanada's goal of growing the sport of curling. A member, depending on his/her donation level, received a pin as a thank you for this contribution.

I am pleased to report that through your generous support a total of $1,885.00 was raised. Using a formula, some of this money will be returned directly to the club in the form of a Club Membership Building Grant.

Again, many thanks for your support and generosity.

- Making History -

Jeanne Galvin recently traveled to Hawaii to assist in the renovation and reconstruction of teak decks of battleship USS Missouri. The battleship where the treaty ending WWII was signed by President Truman. Efforts to restore this historical ship were the project of Elderhostel and the University of Hawaii. Jeanne reports that she removed teak boards, sanded and replaced the teak deck for 12 days, a difficult but rewarding contribution to a bit of America's history.

Calder, Conley, Hurd Results
- Gary "Marshall Dillon" and Susan "Miss Kitty" Fountain, chairs

There have been many stories throughout the years as to how the West was won but they all fail to mention it was really won by curlers! Yup! Ten teams of rustlin', hustlin' curlers - and Innjun Tom - who fought for frontier justice and the Calder, Conley, Hurd medals January 31 and February 2. The outcome of the shootouts:

CALDER:
Winner: Fred Hicks, Skip, Susan Williams, Gary Williams, Pam Jones
Runners Up: Dave Mishalianie, Donna Caleo, Scott Lent, Tammy Mishalianie

CONLEY:
Winner: Harvey York, Skip, Diane York, Laura Jaco, John Jaco
Runners Up: Bob Ridley, Skip, Jacqueline Schmidt, Gary Faucott, Madonna Schmidt

HURD:
Winner: Dave Palazzoli, Skip, Kathy Palazzoli, Duane Farr, Diane Farr
Runners Up: John Caneen, Skip, Peg Caneen, Rich Minutti, Betsy Minutti

Tallest Hat: Dave Mishalianie; Rustler Hustlers - Jackie Schmidt, Mary Gajewski;
Most original costume: Tom Garber

Special thanks to our co-chairs "Marshall" Vinnie Grove and "Deputy" Martha Hoffman for their assistance at the roundup, Joe C. and his staff for keeping the chuckwagon deliciously full and smokin'; Tom Clark and staff for icing the corral and Mark for running a smooth saloon. Join the Calder, Conley, Hurd next year for some rompin', stompin' fun.

Glengarry Closing Dinner
Michelle K. MacEnroe

The Glengarry Closing Dinner and meeting will be held at the Utica Curling Club at 8:30 p.m. on Monday, March 25th. Dutch treat happy hour will be held from 7:30 - 8:30 p.m. Dinner will be chicken fricassée with chocolate mousse for dessert!

The cost for dinner will be $10.00 dollars. You may sign up on the list in the ladies' locker room or by calling Michelle MacEnroe at work: 334-7806 or at home: 736-1165. As usual, the 48-hour cancellation rule applies. For those of you who are unaware of this rule, it means that if you sign up to attend, but cancel less than 48 hours before the event, you are responsible for the cost of the dinner.

Let's have a great turnout; I hope to see all of you there!

Help! Help! If you can, please

The Broom Hildas received this message from Ann Burchesky and are happy to pass it on.

"If anyone knows of someone in Western Pennsylvania who might be interested in Curling they could inquire at the Isoplex in Connaisburg about it. It is a large very nice place where the Pittsburg Penguins practice and where a very nice community is growing."

Anne is trying to work up and interest in Curling in that area and really wants anyone interested to get involved.

and

The Pittsburg Gazette recently did a curling interview with their son Stephen. And a story in the Washington County paper the "Observer Reporter" did a large story which is on our Bulletin Board.
The Olympic Experience
Peg Rotton

For some 35 draws, officials oversaw the curling at the Ice Sheet in Ogden. As hog line officials, the Rottons were responsible for the assessment of approximately 320 stones per game. Dean Kelly as a statistician had to evaluate whether a shot was made on a 0-4 basis for each stone delivered when he was on duty. It was a big responsibility for all three who were selected to participate in the curling. Sometimes the day began at 6:30 a.m. and ended at 10:30 p.m. Other days we were able to visit other venues. The curling can only be described as awesome shots to complete misses. Strategy could be brilliant or one other official said to me, "Do you know what he was doing?" I hadn't a clue, US Women's team did well and came in 4th while the men struggled with most of their games. Both teams have given so much to be there, we were so proud of them.

I am sure that for all of us it was a never to be forgotten experience. Hopefully this will stimulate interest in Curling and translate into new members for curling clubs in US and in Utica.

Rose Bonspiel 2002

2nd Draw: Thursday, March 28th at 5:45 PM
           Friday, March 29th at 5:45 PM

3rd Draw: Thursday, March 28th at 8:00 PM
           Saturday, March 30th at 11:15 AM & 3:45 PM

Cost of the entire Bonspiel is $35.00. Did you say "I can curl but not do dinner?" That's okay too! Cost for curling only is $15.00 per person. Can't curl, but don't want to miss the Closing Party? Please join us for $23.00 per person. Oh! Yes, and if your schedule is such you can only make Toddly Bowl and Hors D'oeuvres on Saturday, cost will be $5.00 per person.

The sign up board is posted at the Club. Sign up early and join us for a great year end Bonspiel and closing party!

Any questions, give Sharon Halligan or Sean Lanigan a call.

UCC SMOKING SURVEY

The Board of Directors is charged with managing the affairs of the club. It is our responsibility to establish rules that best reflect the needs and wishes of the largest number of members as possible while respecting the needs and wishes of the others. Occasionally, an issue comes to the fore that evokes members passions on both extremes. Smoking at the club is one such issue.

The Board is not looking to abdicate its responsibility to manage the affairs of the club. This survey is not a vote. ALL member classes are requested to answer the survey. Its purpose is to assist the Board in determining the wishes of the membership and to assist in determining the impact of any decision.

We ask that you fill out the survey as accurately as possible and place it in the box that is on the front table. Please remember our goal is to make the club a pleasant place for everyone to enjoy. Your name is required to ensure survey authenticity.

Thank you for your input.

The following statement most closely reflects my opinions.

_______ If the club were to go no smoking I would quit the club.

_______ If the club were to go no smoking it would lessen my enjoyment of the club and reduce my participation at the club and in club activities.

_______ I am totally neutral on the issue of smoking at the club.

_______ If the club were to go no smoking it would increase my enjoyment of the club and it would increase my participation at the club and in club activities.

_______ If the club does not go no smoking I will quit the club.

Hear Ye, Hear Ye -
The Kingdom of Curlalot’s Winter Curling Fest was a Spectacular Success!

By royal decree of the King and Queen, they journeyed from far and wide to the Kingdom of Curlalot for the Annual Winter Curling Fest, better known as the 2002 Marie Cobb Mixed Bonspiel at the Utica Curling Club. They curled, they parted, they curled some more – and yes, on and on they continued through the weekend of February 21st - 24th til they could neither party nor curl no more.

The visitors to our fair kingdom left knowing that the UCC is Number #1 on the Mixed Bonspiel circuit. 'The trouble is," some told us, "how can we describe this bonspiel to our friends who have never been here? They really have to experience it to believe it!" And, of course, the King and Queen replied. "Tell them to visit us next year to see for themselves!"

Some royal statistical ramblings about this year’s Mixed Bonspiel:

- 36 team Mixed Bonspiel – first time ever.
- Of the 36 teams, 20 different clubs were represented.
- Seven clubs were represented by more than one team.
- 2 provinces and 5 states were represented.
- 22 teams were from the GNCC, 13 were from Canada and I was a combo of curlers from Canadian and GNCC clubs.
- 10 teams were either completely new to our bonspiel or in a few cases had not been in Utica for a very long time (since before the fire).

Thanks are extended to six special people, without whom this bonspiel would not have been half of what it was. These people are the Bonspiel Steering Committee, who helped the King and Queen in a myriad of ways throughout the past years planning and implementation phases. When the King and Queen needed to get something done, we called these people to action and they came through with flying colors. And when the King and Queen threatened to collapse from too many late nights at the UCC and the never ending stream of bonspiel details, these people helped us keep our sanity and the smiles on our faces. We tip our crowns to you.

Committee. All the Kings Horses and All the Kings Men will drag you back again for next year, hopefully!

Bonspiel Steering Committee: George and Cindy Brown, Gary and Susan Williams, Linda Whitney and Dick Robinson.

Other courtesans to which we are indebted are many, many indeed. To name them all here would mean another page of over 100 names. You know who you are – the riches of the kingdom are yours, along with our gratitude for a job well done!

Sincerely, Kingdom of Curlalot 2002 Mixed Bonspiel Chairs:
